Dear Kendall,

Thank you for your generous support of the *16th Annual USO Golf Invitational* on June 13th at Fiddler's Elbow Country Club. Through your efforts and generosity, the USO was successful in raising a record \$700,000 for troops and their families. The proceeds from this event will be used to fund important USO programs that support wounded warriors and families of the fallen, help deployed service members connect with their loved ones, and provide a "home-away-from-home" at USO service centers around the world.

The USO is not a government agency; we rely completely on the generosity of organizations and individuals like you. You can be proud that your contribution will help demonstrate America's gratitude for the service and sacrifice that these brave men and women make on our behalf.

We sincerely hope you enjoyed participating in the *16th Annual USO Golf invitational* and please know that your support is greatly appreciated. We invite you to visit our web site, www.usonyc.org, to learn more about future events and the exciting programs and services being provided by the USO. We look forward to keeping you informed about all that the USO is doing to pursue its mission of supporting our troops.

Sincerely,

A handwritten signature in blue ink, appearing to read "JH", is written over a light blue horizontal line.

Jessica Herman
